Beginner's Italic and Alternative Writing Tools

This course introduces the beginner to the Italic script.
Mark will guide you through basic lower
and upper case letters
and the numerals.

As an experienced calligrapher you will create work
using different writing tools:
Ruling pen, butterfly nib, brush, fine line marker etc.
You choose the script,
but will convert it to a contemporary version.

Mark's writing classes are inspirational and include
demonstrations with different tools,
It is a "Show and Tell" of calligraphic design
and the historic background of Western writing.

Materials

All materials can be purchased in class.
(Cost: \$20 to \$25)
If you own calligraphy supplies, bring them along.
