

Calligraphy Course

Calligraphy for the Beginner and Beyond

Italic

Calligraphy is connective;
the written voice of our history to the future.

You are invited to attend a six week adventure in letter formation! While learning a Canadian Italic Script you will develop familiarity with calligraphic tools and historical western alphabets. Depending on your skill level, pen manipulation and flourishing letters will also be explored.

Upper and lower case letters and numerals are taught with class projects planned to creatively utilize this beautiful script.
